INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Rotaplast International, Inc. San Francisco, California

I have audited the accompanying statement of financial position of Rotaplast International, Inc., as of December 31, 2017, and the related statements of activities, functional expense and cash flows for the year then ended. These financial statements are the responsibility of the Agency's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain a reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Rotaplast International, Inc., as of December 31, 2017, and the changes in its net assets, its functional expense and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

ROTAPLAST INTERNATIONAL, INC. NOTES TO FINANCIAL STATEMENTS

NOTE 1 ORGANIZATION

Rotaplast International, Inc. was incorporated in April 1998 to facilitate surgical programs to treat children with cleft lip and palate anomalies who would otherwise not receive surgical intervention. The Agency works by partnering with Rotary clubs, other organizations, and individuals across the United States and at international mission sites.

Major funding is received through foundation grants, Rotary club donations and private donations.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of Rotaplast International, Inc. have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. At December 31, 2017, Rotaplast International, Inc. had no permanently restricted net assets.

<u>Inventories</u> - Inventories consist of purchased and donated medical supplies and are stated at cost (or fair market value, if donated) determined by the first in, first out method.

<u>Investments</u> - Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values. Money market funds held as part of the restricted investment account are reported as investments. Fair value is determined by quoted market prices. Unrealized gains and losses are included in revenue.

<u>Property and Equipment</u> - Property and equipment are stated at cost unless donated, in which case it is stated at fair market value at date of receipt. Depreciation is computed using the straight-line method over an estimated useful life of from three to thirty years. Items with a value of less than \$500 are expensed when received, rather than capitalized.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

<u>Donated Services</u> - Donated services are recorded as contributions if the services create or enhance nonfinancial assets or require specialized skills, are performed by people with those skills and would otherwise be purchased by the Agency. Non-medical volunteer support services on medical missions are not recognized as contributions in the financial statements since the criteria stated above were not met.

Donated Medical Equipment - Donated medical equipment valued at less than \$500 per item is not recorded in these financial statements.

<u>Estimates</u> - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Estimates used in these financial statements include valuation of investments, donated equipment, medical supplies and services and depreciation of fixed assets.

<u>Income Taxes</u> - Rotaplast International, Inc. is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code and from state income and franchise taxes under Section 23701d of the California Revenue and Taxation Code.
